

Parking For Race Weekend

For any parking on Sunday, we recommend parking in any on-street parking in the downtown area. There are also many parking ramps, garages, lots in the downtown area.

If you are staying at a downtown hotel, it's best not to try and drive any closer. Just walk across via Pearl Street/Lake Michigan Drive, or across the Blue Bridge to get to the YMCA or the Race Village directly south of the Y.

For the Expo on Saturday, the DASH 9 lot just to the west of the YMCA off Seward is available. If you're a YMCA member, you can also use the parking structure on the SW corner of Lake Michigan Drive and Winter.

There is very little parking to the west of the race site. Please plan accordingly as we get ready for Race Day. Check out the downtown area and on Saturday and be ready.
